Comments on YouTube: Truth is good, and you are absolutely correct—the time for truth is now. God bless and thank you. Please be careful; truth and light, amen. Stay safe, with many prayers for you and your work. I truly pray that the person or group she visited was not complicit in her death, and that truth will prevail, God willing. Thank you, Task Force—FJ and the Campers have your back. Whatever you need, just say the word. Bless you, protect you, and keep you safe. Was FJ's channel taken down, and were you successful? 🙏🙏🙏

She was talking about a harrassment scheme and correct assertions it was all a fraud and my sabotaged attempts to sue mostly Walmart and Bitlove (Fetlife) for willfull and knowing participation in an identity theft and fabricated evidence scheme in part ogranized under Color of Law with Tom Donegan, Mark Weirness, his church groups (Methodists, Rainbow Church) as role players, an Jessica Aber and trust fund administrators participating. Defrauding me with false allegations while discrediting and coopting my writings was the COINTELRO scheme. Most every participant some 20 of 25 people in that orignal operation

are now deceased many under 35 years old. Jen Moore is one of those deceased, a former Tracy police officer who was materially involved in events and operated as whistle-blower was found dead. The Corpus Christi South Texas Federal District Court docket and law suit materials are included in the archive and referenced by Jen Moore.

Although reported in print and televisions the story is absent the real story and contained false information. As usual.

Bungled reporting and flawed sources and the later lethal consequences OANN and others have shown on the story while refusing to correct it.

OANRG.mp4

One America News Network with former FBI Special Agent Robyn Gritz on the death of Jen Moore OANRG.mp4 While Gritz did not know it or did not publicly disclose it Jen Moore was about to reveal the Hidden Identity of the Donegan family of origin and the ties to Allen Dulles, the OSS CIA work under MK-Ultra, behavioral research, and the Kennedy assassination epicenter of events in Los Angeles County, California, 1957 - 1968.

Jen Moore died about to tell the truth about the Kennedy assassination, the Donegan family, and Hidden Identities, and Abuse of Power (including media power) in illegal operations as a politically weaponized system of retaliation against and mistreatment of "Truth tellers." This has included opening "terrorism" investigations against us while discrediting us and harassing journalists. This I had covered elsewhere in Publishing in the United States of America.

The documents Jen Moore had just received and feared she would be killed over are in the Jen Moore Grey Bears Data directory on the DVD Archive disk. It includes police racketeering that showed Veronica Hoffman had been killed shortly after extorting an impersonator of me and that this operation was still underway and used a Capitola resident to fake my identity to continue that same identity theft operation. Because the scheme uses transactions conducted behind the back of the victim of the fraud that being me Ed Donegan proof a fraudulent transaction was being made is difficult but these MS Word documents, videos with recordings of the people did show the proof with images and sound of the identity theft ring underway. The documents such as Harvey Dent.docx showing the murder of Veronica Hoffman were written while I was at his home in Capitola. Other documents including my own and those posting from San Francisco on the frauds.

Jen Moore asserted the providing of minors to Ed Donegan was to please high ranking officials who wanted Ed Donegan discredited during the Donegan biography that included the Cold War and Glorian Donegan history.

Counter-Investigations, retaliation, slander, and abuse of Truth Tellers on these scandals still unresolved in history.

The Donegan's and RECON for the CIA and Prouty and Allen Dulles and Bissell Jr.

The situation is inverted from a similar situation in Mexico. NY NYT -- After a pack of assailants shot Omar García Harfuch three times in 2020, he began sleeping in his office. He was Mexico City's police chief at the time and said a powerful cartel tried to assassinate him. Now Mr. Harfuch is Mexico's top security official, tasked with dismantling those very groups. And he still spends many nights sleeping near his desk, with an armed soldier in combat gear outside his door.

The inverted situation in the USA is witnesses to the corrupt events of the USA as private citizens face abuse of power, sham investigations, and other attacks on media who will recognize Franklin, Nebraska or McMartin preschool children telling of the CIA in those schools still underoing generation violence and abuse in long term programs run by the goverment.

Jen Moore, before her death, talking about my family and its history being attacked by police, fire, EMS, and county worker-directed homeless thugs. These elements using credible death threat scenarios like branding weapons or dry firing them were meant to traumatize into submission, if that did not enforce or gain silence, to kill the whistle-blowers tied To McMartin Preschool, Epstein and Donald Barr and the JFK ties going even deeper into 1950's and 1960's history:

Jen Moore speaking.

"Um, first anonymously because I am in danger, uh, if I don't do it anonymously... [then this will reveal the identities of Ed Donegan, Gloria Donegan, and other Donegans.] And so that was my attempt [anonymous names] and for reasons that still have not been cleared up to this day, um, I also shared some information with Congress anonymously as a whistleblower."

And a short time after that I was jumped and assaulted at my home by four individuals in what has been told to me was an attempted hit job. And so I managed to survive [several attacks did send her to the hospital for injuries].

Um, but I didn't have a lot of options, and because I had been a whistleblower before in law enforcement [at the City of Tracy, California Police Department, before earning a Master's in Psychology and working in an illegal Borderline Personality Research Program tied to Allen Dulles, the CIA, and the hit on JFK during that research], um, I didn't have a lot of options with some of those guys helping me out-I didn't know who to trust.

So I received some phone calls after that. And I'm not going to go into all the details of that case yet, but I received some phone calls after that from some trusted sources who told me, after a couple of months of kind of lying down [shaking in fear, she reports frequently] in extreme fear-my PTSD had trapped my body in a freeze position-who told me, **"Get out. Get out now because they're going to finish the job."** So, um, **the warning that I got during the assault...**

Uh, was that, number one, these guys were lying in wait for me. They knew my name. **And the warning that I got from them was that I better keep my effing mouth shut and better stop talking to anybody.**

So, you know, **heard loud and clear** to me.

But, you know, I had a determination to make at that time. Um, this has been going on for years with other things, and I just couldn't stand by anymore. I was just so sick of being silenced, and I knew that my own PTSD was a result not only of the trauma and the things that I had witnessed [as a police detective], part of it, **but the majority of it was from being hunted** [and threatened during the assaults].

From being a whistleblower. **From retaliation, from threats, from lies and smears**, and all the different things you've heard that they do to those of us who stand against corruption-especially [corruption] within the justice system.

Those of us that are the most trusted (fire, EMS, police, county workers) are often the ones that win all the awards (right after committing corrupt acts). You get to a certain point and, um, uh, you either turn a blind eye or, you know, all hell breaks loose. And that's happened to many, many people-thousands of people. [In the McMartin Preschool, Franklin, Nebraska, and cover-ups William Colby and others tried to document in fear of their lives.]

And so I had a choice last summer-or not really a choice. I was told, like, get out, get out now. And because I had been helping this one YouTube channel, um, a whistleblower-and many people know who that is-my only thought process was, well, where am I going to go hide? They, you know, I've been trying to hide for years, and they find me wherever.

- Ed of section Jen Moore speaking

Both Media and State power continue what William Colby and other Wistle-blowers called the Conspiracy of Silence and abuse of whistle-blowers and the rights of whistle-blowers. Jen Moore spoke of the media's unwilling to report on or about the original sources such as her self and others that have the actual documents of these vents, finding they are rejected and threatened, stolen, disappear, so need to be archived in multiple locations and with multiple people until enough have come forward to overcome retaliation Jen Moore and others have faced.

Jen Moore was assassinated. At 2 minutes she explains a criminal network of slander, frame jobs, and "entrapments" attacking whistleblowers and covering up the Donegan family story that she (and myself, Ed Donegan) are telling while experiencing death threats and violent attacks premised on or parallel with the slander. She, like I, asserts the Donegan family biography is part of concealing details going back to the Kennedy-Donegan family all the way into Dorchester and 1926. It was actually part of *hidden identities* [all through life since birth] in the USA, and children in the McMartin Preschool in California and Franklin, Nebraska's Boystown deaths have surrounded. This illegal covert operation is one of subversion conspiring against biographers of this history with baseless allegations. Close connections to George H.W. and the CIA are asserted by experts in the matter.
